Brady® — Labels, Wire Markers and Labeling Systems

When it comes to identification and safety, there's a clear advantage to working with **Brady** and **Hardware Specialty**.

Brady Corporation is an international manufacturer and marketer of complete solutions that identify and protect products, people and premises.

Brady products help increase safety, security, productivity and performance.

Brady's product offering includes high-performance labels and signs, safety devices, printing systems and software, and precision die-cut materials.

To make sure that their products are tailored to your market and area of expertise, **Brady** has a team of market managers who focus specifically on the needs of a given market. They spend their time researching global market trends, studying compliance issues and initiatives, talking with customers, and developing new product ideas.

As a result of this research, **Brady** has become an industry resource in several key markets, including **aerospace**, **defense**, **voice** and **data communications**.

Brady is the world leader for identification solutions and **Hardware Specialty** has the local inventory to fill your needs. We stock the ISD and Signmark products. Standard products include paper, vinyl, polyester, polyolefin and polypropylene with numerous custom application specific materials available.

Call your local **Hardware Specialty** sales contact for more information.
